

PLAYER EVALUATIONS For Mites, Pee-Wee and Junior Boys

Division: _____ **Team Name:** _____ **Team #:** _____
Coach: _____ **Phone No.** _____

All Coaches: Please evaluate all of your players, according to their ability in comparison to the players **in their division**. Rate them from 1 to 5, 1 being low and 5 being high, in regards to hitting and fielding only. From the total of hitting and fielding, rate the player as **A, B, C or D**. An **A** rating is a total of 9 or 10; **B** is 7 or 8, **C** is 5 or 6; and **D** is 2 - 4. We will use these evaluations next year to help set up the teams and make them all equal.

In the second chart, list all players who pitched for your team in order of Best, Second Best, and so on. Then rate them as an **A, B, or C** pitcher.
