## Forest Glade Baseball League COVID-19 Update: House League Season Cancelled

To the Forest Glade Baseball Family,

Thank you for your patience. We waited to let you know about this season with the hope the outcome would be positive. It is with much disappointment that the Forest Glade Baseball League Executive has made the tough decision to cancel our 2020 House League Season. As you have been hearing for the past three months, the decisions have always been made with the health and safety of our players, coaches, umpires and families in mind. With the uncertainty of Provincial timelines (Windsor/Essex is still in Stage 1 as of this week) and the challenges of Baseball/Softball Ontario return to play guidelines, there are too many variables to proceed at this time. We simply would not be able to provide the baseball experience that the Forest Glade family has come to expect.

All registered youth and adult players will be receiving an email from FGBL in the coming weeks outlining instructions for our cancellation procedures. Families will have the option to roll their registration over to the 2021 season. You will be considered paid in full even if the registration fee is higher for the 2021 season. Alternatively, you can choose to request a full refund of any registration fees paid for this year.

For our Select families, we are going to hold off making a formal decision for just a little while longer. We are in consultation with other clubs in Windsor and Essex County. Collaboratively we are hoping to implement the return to train protocols if we are able.

We know that this news is disappointing to all the players and families. We truly hope to see you on the diamonds next spring for what will now be our 50<sup>th</sup> season.

Yours in sport,

*R. Adlam*
